

NOTICE REGARDING THE USE OF SUNSCREEN – PRIMARY

As we have an outdoor patio in each class and a large outdoor playground, the children are fortunate enough to be able to spend time outside on a daily basis. Thus, we must keep in mind their sun exposure and protecting them from the sun's harmful rays.

Please remember to apply sunscreen to your child in the morning before they come to school. We also recommend that you **send in a bottle of sunscreen** (with the child's name on it) **so your child can reapply** before going outside on the playground at 11:20. For health and safety reasons, your child will only be allowed to use his/her own sunscreen.

Thank you for your understanding and cooperation!
